

# Guidelines for preachers

- A. Preaching is the exposition and application of the Word of God.
- B. Its power, under God, lies in the action of the preacher's soul on the soul of his hearer – heart to heart, deep calling to deep.
- C. Its aim is to get everyone present to pray – to have immediate personal dealings with the Lord.

With this in mind, *please*:

1. Tell them about Jesus.
2. Love them while you do it.
3. Give them three or four slices of bread, rather than a big handful of breadcrumbs.
4. Put eyes into their ears (illustrations, stories).
5. Address their conscience!
6. Speak to them for about thirty minutes or so  
- but make it feel like twenty.

Thank you! - Stuart Olyott
